Subject: DECEMBER DORAL B2G1F / REVISED

Hi Jim,

I revised the H. Fourtunis letter and split the sleeve shipment into 2 arrivals (11/18 and 11/25). I just need to know if the product should also be split into 2 arrivals *OR* if they will be able to handle one shipment. (revised letter will be E-Mailed next week with VAP list).

Any questions, let me know.

Judy
